FEW WORDS

Hi there!
I'm Daria Poprotska. I want to start by thanking you for viewing my CV.

I am an energetic and enthusiastic person who enjoys a challenge and achieving personal goals. My present career objective is to become a professional Web Designer I enjoy working with computers, I enjoy the environment and I find the work interesting and satisfying. The opportunity to learn new skills and work with new technologies is particularly attractive to me.

I try to take everything from life. No problems establish contact with people. I'm sure that after talking with me you will be committed to cooperation.
